### **CORRECTION TO PUBLIC COMMENT DEADLINE**

On March 5, 2009, the Committee reviewing the Application for Certification (AFC) in this matter issued its Notice of Availability of the Presiding Member's Proposed Decision and SECOND REVISED Notice of Committee Conference.

In that document the final date for public comment was changed from March 9 to March 16 and the date for the Committee Conference was changed from April 6 to April 13. However, on page one of the document, due to an error on our part, we did not change the date of March 9 to March 16.

PLEASE BE ADVISED that the deadline for public comment has been extended to March 16, 2009, and that the reference to March 9 on page one should be changed accordingly. Furthermore, as previously indicated, while the Committee would prefer to receive all public comment by March 16, 2009, public comment will be accepted up to, and during, the Committee Conference which will take place on April 13, 2009.

Dated: March 5, 2009, at Sacramento, California.
